### **How to apply for full access to ANATOLICA or *Bibliotheca Orientalis* at Peeters Online Journals?**

#### **Pay-per-view:**

The articles of your interest can be purchased on the Peeters Online Journals by 'Pay-per-View' means.

A € 14 fee is charged per article. A prompt will ask for your credit card data. All current credit cards are accepted.

#### **Subscription:**

Institutions: Online access to the Peeters Online Journals is available to institutions. No additional fee is charged if subscribed. By filling out the online form, an access request is submitted. Access is granted instantly and confirmed by email.

Institutions are recognised by means of their IP-ranges. Optional campus wide access gives scholars and students the opportunity to consult the journals via the institutional network. Institutional users can print, read and download the full text of articles.

Individuals: Individuals who are subscribed to a journal, receive an access code for the journal they are subscribed to. With the access code and their email address, subscribers can access their subscribed journal. Besides searching the relevant articles and read the abstracts, subscribers can print, read and download the full text of articles.
